In questa settimana ho ottenuto il badge Cisco e sto terminando il corso di formazione Azure Foundamentals.

## **Introduction to Cybersecurity**

Issued by Cisco

Cisco verifies the earner of this badge successfully completed the Introduction to Cybersecurity course. The holder of this student-level credential has introductory knowledge of cybersecurity, including the global implications of cyber threats on industries, and why cybersecurity is a growing profession. They understand vulnerabilities and threat detection and defense. They also have insight into opportunities available with pursuing cybersecurity certifications.
